

## Recommended Binder and Supplies for Ms. Cocuzza's Equine Class

Binders are not required, but are highly recommended. I do not do “binder/notebook checks”, but students will take notes, receive handouts, answer questions from our textbook, have the ability to study from previously taken quizzes, etc. It is important to strive for good organization skills in order to be successful in my classes.

The following is a recommendation. Students may do what they want or organize a binder in whatever way feels best for them. I also have a bookcase in the back of my classroom that students are allowed to keep their binders on. Since I rarely assign Homework, there is no need to carry their binder back and forth each day.

- Binder (1 1/2 Recommended)
- 5 Tabs
  - Bellwork
  - Notes
  - Bookwork
  - Handouts
  - Quizzes/Tests
- Loose leaf paper or Spiral Notebook
- Pens/Pencils
- Colored pencils or markers (highly recommended)
- Notecards (can stay at home)
